
Perennial Philosophy Interpretation Great Mystics East

hexagram key - james dekorne's official website - the gnostic book of changes 7 empirical and scientific description of the human psyche based upon the principles of the perennial philosophy. this book is an effort to show the similarities between the symbolism of the i ching and some of these other systems. it is hoped that when this succeeds it may give a **114 constructivism in education - vonglasersfeld** - ernst von glasersfeld (1989) constructivism in education 3 (2) the researcher's and to some extent also the educator's interest will be focused on what can be inferred to be going on inside the student's head, rather than
